Objectives and activities

The charity's objects

To advance the arts, in particular film and associated arts for the benefit of the public, in particular but not exclusively by supporting the Hyde Park Picture House as part of the Leeds Grand Theatre and Opera House Ltd by such means as the trustees think fit including by:

Promoting, supporting and participating in the cultural landscape of Hyde Park, Leeds and Yorkshire, particularly through an appreciation and understanding of the art of cinema.

Celebrating the heritage of the Hyde Park Picture House and ensuring its preservation and continued use for cinema and related arts.

Public benefit statement

In setting our objectives and planning our activities our Trustees have given serious consideration to the Charity Commission's general guidance on public benefit and in particular the advancement of the arts and particularly film.

Achievements and performance

The Friends committee has continued to operate with regular meetings throughout the year.

In addition to organising the Annual General Meeting on 10 August 2025 the Committee has met on five occasions (24/3/2025, 2/6/2025, 31/7/2025, 9/9/2025 and 24/11/2025).

For many years one of the primary benefits of Friends membership has been a discounted rate at the cinema box office. When the cinema re-opened after the redevelopment project, it put in place its own membership scheme, aimed at attracting the widest audience possible. As a result of this, the Friends membership scheme has changed, and the role of the organisation is evolving.

It is intended that the Friends organisation will continue to work very closely with the cinema whilst moving towards more specific volunteering-based projects, which both support the cinema and which are in line with the aims and objectives of the Friends organisation.

During the year, the Friends have continued to organise a regular event for those interested in film with a 'First Thursday film club' meet up after a chosen film, for further conversation and to review and discuss the film.

In addition, the Friends have chosen to support a cinema project which involves Asylum seekers, volunteering at the cinema on a regular basis. The Friends have supported the cinema by paying the bus fares of all the volunteers so that they have been able to travel to the cinema for the volunteering work. This is an ongoing project that the Friends continue to support, but which has now come to a close.

Other Friends activities have included the following highlights:

- Supported craft activities and around a Friends screening for Yorkshire Day
- Provided discounted tickets for various cinema screenings
- Held a Christmas screening of the film Tokyo Godfathers
- Supported the cinema in a project to review the archiving materials
- Assisted in the co-ordination of a mural on the cinemas external wall in collaboration with the Leeds born music artist 'Nightmares on Wax'
- Is supporting a cinema project to create some gardening planter boxes around the cinema

Objectives and activities

Financial review

The net payments for the year were £24, all of which were on unrestricted funds.

Reserves policy

The charity's free reserves, at the year end were £22,363.

The trustees have decided to adopt a lower limit and an upper limit for the amount of cash reserves within the organisation. In setting the lower limit the trustees have considered the level of expenses which may be required to a cover a period of 12 months without any income and the costs of an orderly wind up of the charity should that be required.

In setting the upper limit, the trustees have considered the maximum amount of cash reserves that it should hold. The policy is in place to prevent the cash reserves of the charity accumulating over time to the point where the Charity could be considered to not be deploying its cash reserves appropriately to meet it's charitable objectives.

The lower limit is £2,000

The upper limit is £50,000
